

## Shurflo Twist-On Filters

### SHURflo

These genuine Shurflo filters suit all Shurflo pumps EXCEPT old model Extreme plug-in style pumps.

They screw directly onto the inlet side of 1/2" threaded pressure pumps.

They can eliminate unnecessary pump repairs by keeping debris and particles out of the pump. Transparent in-line filters with 50 mesh stainless screen & screw-apart disassembly for cleaning. 3 models - all have 1/2" female thread to screw onto pump inlet - and either 1/2" male thread or 12mm hose barb inlet.

RWB2955

RWB2956

RWB2957

**RWB2955** Filter with 12mm hose barb inlet

**RWB2956** Filter with 1/2" male thread inlet

**RWB2957** Filter with 1/2" male thread inlet and 1/2" female swivel nut  
As supplied in the box with many current styles of Shurflo pumps

## Pump-Guard Strainers

### JABSCO®

Jabasco inlet strainers protect all electric diaphragm pumps from pump breakdown due to particles in the water.

Transparent housing screws off to allow easy inspection and servicing to clear debris. Size : 120 x 70 x 60mm. Straight in-line type with mounting bracket and either hose barb or thread - and plug-in types which plug directly into Jabasco Par-Max and Flojet pump inlet ports. 6 types available.

- J21-107** Plug-In with 12mm hose barb 46400-0012
- J21-108** Plug-In with 20mm hose barb 46400-0010
- J21-109** Plug-In with 1/2" male thread 46400-0014
- J21-110** 2 x 12mm hose barbs Jabasco 46400-0002
- J21-111** 2 x 1/2" male thread Jabasco 46400-0004
- J21-112** 2 x 20mm hose barbs Jabasco 46400-0000

## Pump-Guard Strainers

### JABSCO®

Jabasco **UNIVERSAL** style plug-in filters. Same features as the Jabasco strainers shown above, except these plug-in strainers also have a plug-in inlet port that uses the Jabasco snap-in ports to connect to your inlet water supply hose. This allows a larger selection of fitting options.

- J21-114** Suits **standard** size Jabasco snap-in ports shown right. 46400-9500
- J21-113** Suits **LARGE** size 23mm Jabasco snap-in ports shown on next page. 46400-0711

## Snap-In Port Kits - Standard

### JABSCO®

These Jabasco port kits allow Jabasco Par-Max 2.9, Par-Max 3, Par-Max 4, Par-Max 5, old model Par-Mate pumps and Jabasco accumulator tanks to adapt to different sizes of hose and plumbing. The plug-in port part measures 19mm (3/4") diameter and simply snaps-in for easy change or replacement. **Supplied in pairs.**

### Straight Ports - PAIRS

- J25-140** 12mm (1/2") I.D hose Jabasco 30654-1000
- J25-141** 1/2" male threaded Jabasco 30649-1000
- J25-142** 20mm (3/4") I.D hose Jabasco 30653-1000

### 90 Deg Elbow Ports - PAIRS

- J25-143** 12mm (1/2") I.D hose Jabasco 30651-1000
- J25-144** 20mm (3/4") I.D hose Jabasco 30642-1000
- J25-146** 1/2" male threaded Jabasco 30655-1000

### Washdown Hose Port - PAIR

Optional snap-in port kit with thread to suit HoseCoil hose end fitting. These fittings snap directly into the ports of a Jabasco or Flojet washdown pump enabling the HoseCoil hose to be attached directly to the pump.

- J25-145** Washdown ports USA GHT. 30650-1000

## Snap-In Port Kits - Large

These **large size** Jabsco port kits allow Hotshot 6.0 Par-Max Plus 6.0 and old Jabsco Par-Max 7 models to adapt to different sizes of hose and plumbing. The plug-in port part measures 23mm diameter and simply snaps-in for easy change or replacement. **Supplied in pairs.**

### Straight Ports - PAIRS

**J25-175** 25mm (1") I.D hose  
Jabsco 50640-1000

**J25-176** 20mm (3/4") I.D hose  
Jabsco 50642-1000

**J25-177** 1/2" male threaded  
Jabsco 50644-1000

### 90 Deg Elbow Ports - PAIRS

**J25-178** 25mm (1") I.D hose  
Jabsco 50641-1000

**J25-179** 20mm (3/4") I.D hose  
Jabsco 50643-1000

**J25-180** 1/2" male threaded  
Jabsco 50645-1000

## Swivel Hose Fittings

These high quality nylon Shurflo hose fittings have a wing nut for easy hand tightening. All have 1/2" female thread to screw straight on to the inlet or outlet ports of Shurflo pumps. They are available with either 12mm (1/2") or 20mm (3/4") hose ends in both straight or 90 deg. swivelling elbow type. **DON'T use thread tape with Shurflo hose fittings.**

**RWB2963**

Straight - suits 12mm hose

**RWB2964**

Straight - suits 20mm hose

**RWB2966**

Elbow - suits 12mm hose

**RWB2967**

Elbow - suits 20mm hose

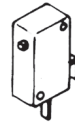

**RWB2965**

Straight - threaded to suit USA garden hose thread GHT

## Shurflo Micro Switch

Shurflo Micro switch only to suit shurflo pump pressure switches. Suits most old and new model Shurflo marine pumps.

**SP230** Micro switch only

## Pump Filters & Strainers

We stock a large range of pump debris filters and strainers to suit Jabsco & Shurflo pressure pumps and engine cooling water inlet. We also stock a full range of non-return valves, strainers and other pump accessories to suit all types of pumps. These are all detailed in the **PLUMBING** section further on in the catalogue.

## Spare Parts For OLD Model Shurflo Washdown Pumps

### 3901, 4901, 4903, 5901 Series Deck Washdown Pumps

The motor is NOT available as a spare part as it basically costs as much as a complete new pump. If a motor is required, purchase a new pump and keep the old pump for parts.
